

Create a Wantlist with Amazon.

Amazon.com offers a very large book, video, and music collection, and is easy to search with keywords and subject terms. Using this method **does not** require you to create or use an Amazon account. If you have an Amazon account already, take care not to place an order the items that you add to your cart!

1. Go to www.amazon.com
2. In the "Search" field by the search box, select "books," "movies," or whatever resource type you wish to search for.

The screenshot shows the Amazon.com homepage in a Windows Internet Explorer browser. The search bar at the top left has a dropdown menu open, listing various departments. A large yellow arrow points to the 'Books' option in the dropdown. The main content area features a large advertisement for the 'All-New Kindle' with prices of \$189 for the Kindle 3G and \$139 for the Kindle. Below the ad, there are several book recommendations with 'LOOK INSIDE' buttons. On the right side, there are promotional banners for 'FREE Two-Day Shipping', 'JULIA ROBERTS EAT PRAY LOVE', 'Listen to Bestsellers with Two FREE Audiobooks', 'HDTVs for \$999 or Less', and 'Tablets Now at Amazon.com'.

3. Type in titles, keywords, and subject terms to identify items that you wish to recommend. Add your recommended titles to your shopping cart.
