February 2011 Vol. 2, Is. 6

## New Titles and Databases @ The Holgate Library

In addition to new leadership, women's studies, biography, and fiction titles on display by the Circulation Desk, the library has added two exciting new databases to support your research. Find these databases on the library's online database page and subject guides:

### SocINDEX

Provides extensive coverage of research in social work, sociology, social psychology, political science, criminology, and ethnic and gender studies.

### MLA International Bibliography

Provides a subject index and full text for books and articles published in modern languages, literatures, folklore, theatre, and linguistics.

### Periodical Profile: Black Enterprise

Young entrepreneurs, check out *Black Enterprise*, your monthly magazine for what's new among African-American business professionals and thought leaders. On display by the Circulation Desk.

### Interested in International Travel? Get Your Passport!

Travel and study abroad requires that you have a passport. Don't risk missing a travel opportunity-get yours now! See the passport display in the library!
