PLANE, TRAIN, BUS OR AUTOMOBILE ?

Making plans for travel this holiday season?

Here are a few tips:

Snag an Affordable Flight

Plan ahead! Try not to travel on peak days. Have money set aside so when you do see a GREAT price on a ticket you will be able to make the purchase.

Rent a Car and Save

Friends traveling together in the same direction can be cheaper. Renting a car decreases the cost of you traveling alone.

Bus it!

Traveling on a bus has its challenges, but boy is it cheap! Greyhound, Megabus and BoltBus provide very affordable rates. Make sure if you're traveling within the West Coast, East Coast or Midwest, you can best bet nab a cheap ticket on Goto-Bus.com,

Choo, Choo!

Traveling by train can be a relaxing and affordable trip. Allowing yourself travel time between destinations is the key when traveling the railways.
